This includes the pantry.

FLOORING AND PAINT SELECTIONS

FLOORING

Wood Floors

Location: Kitchen, Foyer, Living Room, Eating Area, Hall to Master Bedroom, and Stair Landing (First to Second Floor)
Make: BSL
Style: Horizon Maple, 4 1/4" width
Finish: Natural

The finish in BSL Horizon Grade wood floor has been known to develop micro cracks, regardless of color or species. This cosmetic occurrence is due to wood being a natural product and the Horizon Grade containing knots and mineral lines that the other Grades do not have. While the knots and mineral lines showcase a more natural, rustic look they are cause for less stability in the wood which can create micro cracks in the finish. By choosing the Horizon Grade of BSL wood floor, you acknowledge that you are aware of this potential cosmetic issue with the product and agree that it is not considered a warranty issue.

Initial: _____

Carpet

Location: Master Bedroom & Walk-in Closet, Bedroom #2, Bedroom #3, and Upstairs Hall

LANDSCAPING

LANDSCAPING:

All disturbed portions of yard to be seeded. Lawn area will generally include front yard, side yard, and rear yard. Lawn area to be covered with approximately 4" of native topsoil. Landscaping of this home includes 6 deciduous shrubs (#2 Container), 2 evergreen shrubs (#2 Container), and 12 perennials (#1 Container).

SITE WORK AND PREPARATION

SITE CLEARING:

Builder is responsible for all site clearing, as needed.

EXCAVATION & FILL:

Builder responsible for all site work and site balance to include:

- * Connection to Town of Shelburne water and sewer systems
- * Connection to natural gas lines at road. Underground power and cable TV in conduit to house
- * 12" thick gravel two car driveway on top of mirafi fabric, including turnaround area.
- * Footing drains installed around Lower Level and drained to daylight in front yard. Drain tile buried in clean 1" stone; covered with mirafi fabric; clean sand fill from fabric to 12" below grade. Site graded to shed surface water away from house
- * Boulder rock walls as needed for the grading of the yard. Boulders from the site are machine-placed to create walls.
- * 42" wide brick walkway from front porch to side walk
- * Yards, shrubs, landscaping, snow and trash removal are the responsibility of the Homeowner. Owner can plant additional plantings around their home.

MISCELLANEOUS

CLEANING:

House cleaned prior to closing, including washing of windows.

ENERGY PACKAGE:

Home to be built to Vermont Energy Code. Options to be presented for VIEC 2.0 and the National Green Building Standard. Home to include:

- 1) 110 CFM fan to exhaust air from the house in Master Bath and Bath #2, controlled by a programmable 24-hour timer.
- 2) Programmable setback thermostat on each heating zone.
- 3) Additional caulking and sealing of joists to reduce air infiltration into the home, including shoe plate; windows; and where wires and pipes go to cold spaces.
- 4) Lower Level insulation on the interior using rigid "Thermax" insulation to be located from the floor to the top of concrete wall to comply with Efficiency Vermont standards.
- 5) Selected use of closed cell foam to improve overall air sealing of home.

WARRANTY:

SCI Warrantee as per contract.

Continuing a policy of constant research and improvement, Sterling Homes reserves the right to make substitutions and specification changes.
